That EXCLUSIVE Style

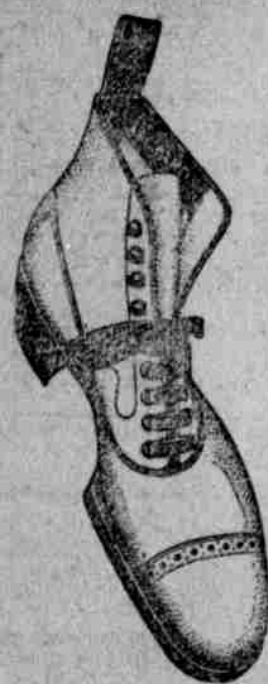

SO MUCH SOUGHT FOR

Is admirably shown in the Spring styles of the "ELVA" Shoe for Women.

Each last shown this season is new and original and can be found in no other line. Dull Calf and Patent Leather are among the most popular leathers, but there is a good choice of styles in Kid. We would be pleased to have you come in and inspect these Shoes. You would surely find something suitable, and as Easter is so near this is the best time to make your selection.
